YOUR TRUSTED PARTNER

The right advice - The right solution - The right team

ABOUT US

Over 13 years ago, Sprinter started with a few cellphone and computer repair stores in Central Wisconsin.

With time through employment growth, acquisitions, and a growing demand, the shift towards helping businesses with their IT needs began.

Sprinter Business Solutions is now the leading provider ready to handle the ever-changing technology needs of any business.

WHY CHOOSE US

The Sprinter Advantage

It's all about becoming your trusted partner in **Business, Technology** and **Security** alignment.

Sprinter's unmatched passion and commitment to excellence will help your company become its best.

Big Company Resources, Small Company Values

Working with Sprinter means engaging with real, local people. We are an extension of your team.

Our dedicated resources and services are why companies choose to partner with us.
